PROFESSIONAL EXPERIENCE

St. John's University, College of Pharmacy and Health Sciences

Interim Chair, Department of Clinical Health Professions

June 2021 - present

Assistant Dean, Experiential Pharmacy Education

2011 - 2021

Department of Clinical Health Professions

- Clinical Professor
- Associate Clinical Professor
- Assistant Chair
- Assistant Clinical Professor

2020 - present

2006 - present; 2002 - 2003

2007-2011; 2003

1996 - 2002

NSF International

Member, Standards Development

2017 - present

Joint Committee on GMP for Over the Counter Drugs

Accreditation Council for Medical Affairs (ACMA)

Member, Board of Governors

2016 - present

American Association of Colleges of Pharmacy

Academic Leadership Fellows Program, Cohort 13

2016 - 2017

Clinical Practice Site for Faculty Appointment at St. John's University

- Queens Hospital Center - Queens, NY
Faculty, Cancer Center
- North Shore-Long Island Jewish Health System - New Hyde Park, NY
Clinical Coordinator, Ambulatory Care
- Beth Israel Medical Center - New York, NY
Clinical Coordinator, Ambulatory Care AIDS Program
Preceptor for PGY-1 Pharmacy Practice Residents

2006 -2010

2002 - 2003

1996 - 2001

1998 - 2001

Abbott Virology, Abbott Laboratories - Abbott Park, IL

HIV Clinical Science Manager

2003 - 2006

Thomas Jefferson University Hospital - Philadelphia, PA

Pharmacy Practice Residency

1995 - 1996

The New York Hospital/Cornell Medical Center - New York, NY

Clinical Pharmacist, Part-Time

1994 - 1995

Roche Professional Service Center - Port Washington, NY

Home Care Pharmacist, Part-Time

1993 - 1994

EDUCATION AND PROFESSIONAL TRAINING

St. John's University - Queens, NY

- Doctor of Pharmacy 1993 - 1995
- Bachelor of Science in Pharmacy 1990 - 1993

Hofstra University - Hempstead, NY

- Bachelor of Arts in Biology 1986 - 1990
-

LICENSURE & CERTIFICATIONS

APhA Pharmacy Based Immunization Delivery	2016 - present
American Academy of HIV Medicine HIV Expert (AAHIVE)	2013 - 2021
American Society of Consultant Pharmacists, HIV/AIDS Pharmacotherapy Traineeship	2000
Certified Smoking Cessation Specialist, University of Pittsburgh	1998
New York Pharmacist License #I042324-01	1993 - present

TEACHING EXPERIENCE

St. John's University, College of Pharmacy & Health Sciences

Undergraduate Pharmacy Didactic Courses (0-6 Program)

Advanced Therapeutic Management of Oncology Patients, CPP 6112	2012 – present
<ul style="list-style-type: none">• Endometrial Cancer, Renal Cell Carcinoma, Hepatocellular Carcinoma• Elective course for P3 students, 1 section	

Drugs and Neoplastic Diseases, PHR 5108	2010 – present
<ul style="list-style-type: none">• Supportive Care, Oral Chemotherapy• Required course for P3 students, 2 sections	

Contemporary Management of HIV Infection, CPP 6109	2007 – present
<ul style="list-style-type: none">• HIV Resistance, Medication Adherence, Drug Interactions• Elective course for P3 students, 1 section	

Drug Literature Evaluation and Research Design, CPP 4402	2007 – 2018
<ul style="list-style-type: none">• Non-inferiority Clinical Trials• Required course for P2 students, 5 sections	

Advanced Pharmacy Practice Experiences

Pharmacy Education Elective - CPP 5404/08/09/10	2011 - present
---	----------------

Physician Assistant Program

Clinical Medicine 3 (ALH 3201)	2017 – present
<ul style="list-style-type: none">• Antiretrovirals, Chemotherapy and End of Life Care	

RESEARCH/GRANTS

2018 -2019. Co-investigator. A Comparison of the Perceptions and Knowledge of Pharmacy Students in New York City and Istanbul, Turkey Regarding HIV/AIDS and HIV/AIDS Patients. Survey of P3 students. (P4 Student Research in progress).

2003. Pharmacy Consultant. Promotion in Multi-Vitamin Supplementation Among Low-Income, Disadvantaged Patients & their Healthcare Providers (VitaGrant), Tobin, JN, PI. Project aimed at ameliorating nutritional health inequalities by providing education training on the proper use and benefits of multi-vitamins and increasing access among minority and low-income population subgroups. This goal was achieved by developing educational webcasts on overall nutrition and vitamin supplements for adult patients and health care providers. Grant awarded to Clinical Directors Network, Inc. (Completed).

2001 – 2003. Pharmacy Consultant. Behavioral Interventions for Women with HIV/AIDS - New York Area. Stress Management and Relaxation Training-Expressive Supportive Therapy (SMARTTEST II). RO1 MH61208-01A2 NIMH (Tobin, JN, PI; Weiss, SM, PI). The goal was to test the effects of cognitive-behavioral interventions on quality of life, psychosocial and health status with women who speak English, Spanish or Creole. Eleven Community Health Centers and 450 female patients who received a 16-week intervention in either a group or individually and a two-year follow-up were involved. Grant awarded to Clinical Directors Network, Inc. (Completed).

2000. Pharmacy Consultant. Treatment Adherence Support Program. Medical and Health Research Association of New York City, Inc. Ryan White CARE Act, Title I. Co-investigator. Grant awarded to Beth Israel Medical Center. Amount of award: \$90,000. (Completed).

1999. Project participant on grant awarded to the Clinical Pharmacy Practice Department, St. John's University by Managed Healthcare Associates to help develop a *Geriatric Sourcebook for Medications*. Amount of award: \$5,000. (Completed).

1998. Effect of transdermal nicotine patches with or without intensive pharmacist intervention in a university-based smoking cessation program. Mentor for Pharm.D. student research project. St. John's University. (Awarded an unrestricted educational grant from SmithKline Beecham Pharmaceuticals, Consumer Health Care. Amount of award: \$3000. January 1998). Poster presentation. 1999 Annual Meeting of the American College of Clinical Pharmacy. Kansas City, MO. October 25, 1999.

1997. Co-investigator. Development of a computer-administered examination in community pharmacy practice: a pilot study. Innovative Teaching Grant. Center for Teaching and Learning, St. John's University. Amount of award: \$3,000. (Completed).

1995. Principal investigator. A multidisciplinary approach to optimize filgrastim use in patients infected with the Human Immunodeficiency Virus. Amgen Pharmacy Research Award. New York State Council of Hospital Pharmacists Research and Education Foundation. Amount of award: \$1,000. (Completed).
