

Dear Alumnus/Alumna,

One of the major priorities of the Office of Alumni Relations of St. John's University has always been a commitment to remain aware of and sensitive to the concerns, opinions and suggestions of our more than 150,000 alumni. We strive to provide those programs and services that are most beneficial to our constituents, and to do so we need your help.

Our planning efforts continue to be based upon the information which you provide, and so it is important that you take a few minutes to complete this survey. The data received will further enhance the ways in which the Office of Alumni Relations is able to service our alumni and future alumni. Your information will, of course, remain confidential.

On behalf of everyone at St. John's University, thank you for your participation.
